

VERNON DOWNS 70TH ANNIVERSARY SEASON

Race Day “Top Contenders” for each race from former Vernon Downs On-Air Handicapper Tony Lasinski. If you are a fan of Vernon Downs, please check out the ‘Vernon Downs Racing’ Page on Facebook.

**I would like to thank Vernon Downs for inviting me back as guest handicapper for the 70th Anniversary Season. I also would like to thank John Horne, Leslie DeLorenzo and all the horsemen and horsewomen for their help and kindness throughout the season. Since it is closing weekend, I would like to acknowledge our leading driver The ‘Prime Minister’ John Macdonald and leading trainer, Michelle Warner; Trotter of the Year- Lepanto and Pacer of the Year- Unusual Clarity. A Happy Retirement to co-fastest horse of all time at Vernon - JK Panache.*

** Selections made before final driver choices and late program scratches/changes. Because of changes, numbers may not correspond with horses name*

Closing Night

Saturday November 18, 2023

Tough closing night card. You can usually expect a surprise or two. Don't be afraid to bet a hunch or a horse at longer odds.

Race #1

#7 Tech Titan
#1 Cuttin ZZZ's
#4 Summer Chrome

Race #5

#2 Chase Mateo
#8 Secretive Kate
#3 Moni's Heaven Cent

Race #9

#8 Jericho Willie
#1 Samsun Of A Beach
#4 Rally Your Crew

Race #2

#2 Let's Foal Around (VP)
#1 Maching Time
#5 Par Intended

Race #6

#1 Ucanttouchthis
#2 Road Ready Wes
#8 Old Pal

Race #10

#2 Unsettled Business
#7 Jersey Justice
#5 Kicks Like A Mule

Race #3

#8 On The Take
#5 Dewar N Jack
#2 Dreamscape AFS

Race #7

#9 Star Track Hanover
#7 Zapaca
#4 Tour De Lindy

Race #11

#6 KJ Phillip
#1 Soubrette
#7 Sunrise Winner

Race #4

#7 Maddox Hanover
#9 Letsflytogether N
#1 Lancaster Bomber

Race #8

#2 Major Leaguer (BB)
#1 Last Call Larry
#6 Doc KW

BEST BET: Race 8) #2 Major Leaguer – don't recall him ever being at this low of condition, short price looms

***VALUE PLAY:** Race 2) #2 Let's Foal Around – (5-1 ml) steps up in class off an easy win on the ship in, expect an early move to the front and should be able to hold these off
